## Uniform

As you should be aware, the uniform policy is changing slightly in September. Blazers are being replaced by Academy jumpers which can be purchased from [Prestige Design and Workwear Ltd.](#) This change came into place after consultation with students, parents/carers and staff.

At the Academy we appreciate that some parents/carers may have purchased a blazer relatively recently, so there is a crossover period where students can wear either a blazer or a jumper until the end of the autumn term 2024. Please note that students are to wear Academy jumpers only, other jumpers will not be permitted so please do not purchase these.

If you have recently purchased a plain black jumper from Prestige, they will be able to add the logo for you. Unfortunately, they are not able to add the logo to any jumpers not purchased through them.

## Attendance and Fixed Penalty Notices

At the Academy, we have been very pleased that the attendance figure has improved through the year, but we appreciate that there is still a lot of work to do to get back to the levels that we saw before the pandemic. This is a national issue, but we are pleased that our overall attendance figure is very similar to the national average, and that our persistent absence figure (the percentage of students whose attendance is below 90%) is better than the national average.

As this is a national issue, there have been changes to attendance legislation. Please be aware that if any student has 5 days of unauthorised absence over a 10 week period, an £80 fine per parent can be issued, which doubles to £160 if not paid with 28 days. If a second fine has to be issued within a three year period, the fine increases to £160. If attendance still does not improve, then you may be prosecuted and parents could receive a fine of up to £2,500. At the Academy, we do not want any parent/carer to be in this situation, so please ensure that your child has good attendance and work with the Academy if there are issues.

## Behaviour

There has been a marked improvements in the behaviour of students this year and at the Academy, we are very proud of them. It was wonderful for this to be recognised by Ofsted and we feel confident that by the time we have a full inspection, this positive trajectory will continue.
